Fleet Numbers:

A three-digit number is used, followed by a four digit "call" number.

Fleet numbers remain constant, but "call" numbers change with reallocations, and change of use.

The station number forms the first element of the "call" number, with the last two are used for the following:

01 onwards	=	Front Line ambulances
16 onwards	=	Reserve Front Line ambulances
21 onwards	=	Dual Purpose ambulances
41 onwards	=	Sitting Case ambulances
71 onwards	=	Patient Transport Vehicles
